COUNTY NEWS IN REVIEW

Burlingame Says "No"—

The Merchants Committee of the Burlingame Chamber of Commerce last week voted to refuse to accept the "$30 Thursday" warrants if the Life Payments Plan is passed by electors at the November 7 election.

The merchants issued a statement giving the following reasons for their action: Because the warrants would not be lawful money of the United States; because the warrants could not be used to pay for certain merchandise which necessarily must be purchased from outside of the state; because state manufacturers, jobbers and wholesalers, with whom retail stores deal, have announced that they can not accept the warrants.

Traffic Tangle—

Tomorrow has been set as the date for the first meeting of the supervisorial transit committees appointed by the boards of supervisors of both San Francisco and San Mateo counties in an effort to untangle the Peninsula's traffic problem.

Announcement of the date marked another step forward in the new campaign to secure bet-

Set Trial Date For Groceryman

Trial of Pasquale Ramacciotti, proprietor of a grocery store on Hillside boulevard, where a slot machine was allegedly in operation in violation of the state gambling laws, and of Alex Berman, charged with installing the machine, was set for October 17 by Judge Wade H. Clay, Friday.

Berman has been released on $250 bail for each of the two charges against him, while Ramacciotti posted $100 bail.

Cited to appear before the court on a charge of painting and paperhanging in Daly City without a license, V. Rasmussen, Hanover street, San Francisco, was ordered to obtain a license.

The following traffic offenders, all of San Francisco, were fined by the court: Patrick Henry Buckman, $1; Kenneth Schwartz, $10; Eugene I. Hackett, $2; Nellie Walsh, $1; Omar Neil Moon, $10.

CITY ENGINEER ANNOUNCES ST. APPROVAL

Communication Gives O. K. On Redesignation

Official approval from the State Highway Commission of Daly City's application to designate Wellington, Hanover and Acton as streets of major importance was announced today by City Engineer Julius F. Castelan. The Commission's approval adds these streets to others that qualify for funds from the quarter cent gasoline tax for maintenance costs.

Castelan stated that he will draw up a project at once, subject to the approval of the city council and the Commission, for the repair of cracks on the three streets, utilizing the gasoline funds now available.

The city council was authorized to advertise for bids for the re-surfacing of Brunswick street, from Templeton to Oliver, in a letter received this week from the State Highway Commission, according to Castelan.

Costing approximately $3000, the street project will be paid for

Committee Selects Queen For Daly City Day Celebration

Selection of Miss Barbara Davis, 201 Citrus avenue, to reign as "Miss Daly City" during the mammouth celebration on Treasure Island October 22, Daly City Day at the Fair, was the highlight of a committee meeting held Monday evening at the city hall. H. G. King acted as chairman.

The Jefferson Union high school beauty recently won a bathing girl contest both at the Daly City theatre and at a downtown theatre. She will be crowned queen of Treasure Island during the colorful ceremonies planned for the day.

A committee including Mrs. Catherine Foreman, Mrs. Melvin J. Conroy, Mrs. LeRoy Davis and Mrs. Paul Selmi, was appointed to take charge of costumes for the queen and her pages.

Deadline for turning in tickets and money was set by the committee for October 19. Sales continue to show a sharp upturn, and there is every reason to expect that Daly City Day at the Island, just

Fire Dept. Dance Is Success

An official report of returns from the dance given recently by the Widows and Orphans association was read by Secretary Ed Goldkuhl jr. at the regular meeting of the Daly City Fire department held Monday of last week at the city hall.

The sum cleared from the dance and program will enable the directors to meet the premium of $1062 due this month to cover all members for insurance, amounting to $750 each. The department expressed its appreciation to the friends who had helped make the payment possible.

Other routine business was rushed through in order to have time for the two demonstrations slated for the evening. The first was a demonstration and explanation of a tetra-chloride fire extinguisher by J. W. Landis.

The Pacific Coast agent of the E. and J. Inhalator then took the floor, lecturing and showing thirty minutes' moving pictures. The various uses demonstrated for the inhalator was held a good lesson for the members of the department, since an inhalator is part of its first-aid equipment.

New Date Announced For Home-Talent Play

Miss Marie Burton, director of the Community Players sponsored by the Recreation department of the WPA, announced today that the first presentation of the group, scheduled originally for this coming Friday, has been postponed until the following Wednesday, October 18.

Reason for the change, Miss Burton explained, was in the school holiday set for Friday.

Three one-act plays will be presented and a number of specialty acts. The public is invited.

Indians Invited To National Meet

The following letter written by the San Francisco Exchange club to Dante P. Lembi, director of the Jefferson Indians of Rhythm, was made public this week:

"Dear Mr. Lembi:

The San Francisco Exchange club wishes to thank you personally and through you to thank each member of your organization for the delightful time you gave us yesterday. We shall have our National Convention with 6000 delegates in attendance next fall and it will give us great pleasure if we may hope to schedule you and your organization for an important part of our convention entertainment.

Again thanking you for your generosity and complimenting you on the uniform high excellence of your show, we are,

Sincerely yours,
The San Francisco
Exchange Club."

The Indians will also play Friday, October 20, at the Daly City theatre and October 22 at the Exposition.

Name Successor To Recreation Dept. Director

Bruce H. Boynton will take over the post of Daly City WPA Recreation director left vacant this week by the resignation of Enid F. Tandy.

Boynton has been assistant director for the San Jose department for the past three years and director of Camp Shadowbrook at Big Basin for four years. He entered social and recreational work in 1934 when he took charge of FERA camps for the Federal government, in the capacity of area director of eleven camps and two shelters between San Francisco and San Luis Obispo.

He will take over his duties officially in Daly City on October 15.

Cats Win In Show At Island

"Pussy cat, pussy cat,
Where have you been?
I've been to the Island
To see what I'd win.

"Pussy cat, pussy cat,
What did you there?
I brought all the prizes
Home from the Fair."

Daly City's silky felines covered themselves with glory at the Exposition Cat Show at Treasure Island, Otcober 7-8.

"Black Bomber," black Manx entered by Mrs. James Clifton, 147 Winchester street, was awarded the trophy for the best Manx in the show and added to this honor by being judged the best short-hair of fifty-five entrants. Mrs. Clifton's red Peke-face tabby, "Donna Dee," brought home two cups, two ribbons and seven points toward her championship. This was Donna Dee's first show.

"Tonto," red Peke-face owned by Mrs. C. Cogeshall, 250 Miriam street, as best red and red Peke, added to his collection three cups and seven ribbons, and completed his championship, with points to spare.

"Prince Delano" and "Princess Golden Eye," golden-eyed white Persians owned by Mrs. Harold C. Jones, 15 Bruno street, won best golden eyed male and opposite sex, respectively.

The Prince and Princess won two cups each and several other prizes donated by San Francisco and Oakland business houses.

"Red Boots of Cherokee," red Peke-face double champion, owned by Miss Dorothy Eason, 924 Hanover street, won best opposite sex and added a cup and two ribbons to her collection.

"Cherrie of Nor'Cliss," tortoiseshell Persian, owned by Mrs. Paul Harrington, 365 Lowell street, won her double championship ribbon. She also won a cup don-

COUNCIL ASKS FOR BIDS ON ST. WORK

Full Business Slate Stalls Monday Night Session

Calling for bids for resurfacing of Brunswick street and insurance on the new busses, revision of the proposed gas piping ordinance, complaints on street lighting, city purchasing, and routine detail stalled Monday evening's city council meeting into a near-midnight session.

By unanimous vote the board called for bids to resurface Brunswick street from Acton street to Oliver street. Cracked, broken, and rough, this street section, running along the Acton-Brunswick park, has for several months been the source of complaint from residents there. City Engineer Julius F. Castelan has been successful in securing state approval of the project and quarter cent gas tax money to do the job.

Bids were called for to insure two busses scheduled to make runs on Daly City's rapid transit route. About November 1 the busses will be ready for shipment from Detroit, Michigan.

Final action on the long-hanging gas piping ordinance was postponed again when a debate over the $12.50 annual fee disrupted favorable action on the adoption of the code. After the fee item was struck out, Councilman Julius Twesten reintroduced the ordinance.

Petition from residents of the 300 block on Hillside boulevard requesting installation of street lights in that area was referred to the lighting committee. City Attorney Rapsey gave an opinion that the city had no jurisdiction over a nuisance complaint that tree branches were overhanging private priperty lines near Partridge lane.

On motion by Councilman J. J. Fahey salary of Archie Bandield, city poundmaster was raised from $100 per month to $140. Cliff Pettigrew, proprietor of Daly City garage, complained that notification of city purchases was not

Trio Sponsor Celebration Here

Greater Daly City Days, sponsored by the Daly City Record and Shopping News, civic and social organizations and local business men, will swing into action next week in preparation for Daly City's big day at the Exposition Sunday, October 22.

Indians of Rhyhm will sound the keynote to Daly City's huge celebration when they appear at the Daly City theatre Friday evening of next week. Merchants are displaying Western hats and other colorful items of Western costume. Grocers are already offering suggestions for those big home-made lunches the majority of local families will take to Treasure Island Sunday. The Daly City Record is planning a special souvenir edition for the occasion and local organizations are making plans for their part in the celebration.

"Dress up, buy a ticket, tell the world about Daly City, have a good time," are only a few of the slogans that may be heard on Daly City streets these last few days.

BELLI SHOWS NEW CARS

Motor Company Heralds Arrival Of Two Makes

John Soldavini, general manager of Belli Motor company, Mission and Market streets, Daly City; Belli Block, Colma, today received word that the new 1940 Chevrolet cars will be introduced locally and nationally, Saturday, October 14.

A great deal of interest surrounds the introduction of the new Chevrolet cars. It has been indicated that the new cars will have a new full-vision body by Fisher and will be bigger inside as well as outside. The new vacuum power shift, exclusive with Chevrolet, will be standard equipment on all 1940 models.

Soldavini, who stated he was not in a position to confirm any advance information on the Chevrolet cars, expects to attend a factory conducted meeting in San Francisco in the near future, at which the new cars will be shown to all Chevrolet dealers in this region.

Soldavini expects quite a fall upturn in new car sales, a fact indicated by the large number of advance orders placed by those who want to be sure of early delivery.

New Buick Line

The new Buick line for 1940, consisting of six series of automobiles, two of which are entirely new, is on display now in the showroom of Belli Motor company.

The two new series, the Super and Roadmaster, are highly advanced cars, introducing ultra modern features of styling and advance engineering practices. The other four, the Special, Century and Limited (on two wheelbases) are improved versions of previous models with a long array of advances in body styling, chassis and equipment, according to Soldavini.

Notwithstanding the sweeping improvements in style, quality and performance, the delivered prices of the 1940 Buick cars are substantially lower than last year, with reductions ranging from $79 to $350, the dealer stated. "In addition, the new low prices will include as standard equipment numerous accessories which were not on the 1939 cars," he said .

New Assistant Pastor At Catholic Church

Father Charles S. Gienger, formerly of Corpus Christi church, Piedmont, has been appointed assistant pastor at Our Lady of Perpetual Help church.

He replaces Father Edmond D. Ryan, assistant pastor here for the past two years.

Pink Bollworm

The pink bollworm, described by U. S. cotton men as a worse pest than the boll weevil, is believed to have come originally from India, where it was recognized as a cotton enemy nearly 100 years ago. Experts think it was carried to Egypt from India in seed-cotton shipments and that it spread from there.

Teachers Praise American Press

That America will probably be able to stay out of the European war if the present Embargo Act is repealed, is the opinion of San Mateo Jaysee history and political science instructors who were interviewed recently. They also paid high tribute to the American press for its efforts to give the public the real facts regarding the war.

Sparked by their decisive win over Stockton Junior college, 15-0, San Mateo Junior College gridders will invade the campus of the San Jose State college frosh this Friday to battle the strong freshman team in a preliminary to State's varsity battle with San Diego.

With the junior college science classes moving into the newly completed science plant, a part of the old science structure will probably be used by San Mateo county's newly authorized U. S. Marine Reserve unit as an armory room.

Final Rites Today For Mrs. Julia Trutam

Funeral services for Mrs. Julia Trutam, 154 Vista Grande avenue, will be held at 10 a. m. today from the funeral parlors of W. C. Lasswell and company, 6154 Mission street.

Eighty-four years of age and a resident of Daly City for many years, Mrs. Trutam died Sunday at a San Francisco hospital. She had been ill for a long time.

Surviving relatives are a nephew George Ritter, 164 Vista Grande; his son, Edward Ritter; and his daughter, Elsie Ritter.

Interment will be in Woodlawn Memorial Park.

Night Owls Plan Jefferson Night

The Night Owls club of South San Francisco and Colma announced this week that Saturday, October 21, would be Jefferson Night at the Lovchen Gardens, Colma.

The dance will feature Jefferson banners and decorations, Jefferson theme songs and the majority of Jefferson's students. Union music will be played by a popular orchestra.

The Night Owls extend a cordial invitation to the general public as well as to all Jefferson students, teachers and alumni to attend. Admission prices are nominal and refreshments will be available.

Here's What we were Shooting at!

ROME, they tell us, wasn't built in a day. Well, neither was this 1940 Buick you see burning the breeze here.

You'll understand why when you know what we were aiming for. We wanted to combine in *one* car all the best we've learned in our 36 years in this business.

We think we've got it now. A standout sparkling car with *action* power and *staying* power.

It would be hopeless to try to list the whole range of new features—there are some 72 in all.

But you can't drive this car a mile without knowing that you have got hold of something that tops anything you ever handled.

It's smoother, steadier, firmer on the line. It gets up and goes *right now*, and keeps going without wander, tailwag or wind-swerve.

It takes the roughest roads in its stride, and while we don't want to go hinting about speed, this eager baby can do forty-five in *first!*

The sudden, soaring, millrace power of its matchless Dynaflash straight-eight engine, electrically balanced *after* assembly to micro-poised perfection, is velocity smoothed to velvet.

Yes, this beauty is our all-time high—the car we've been shooting at for lo! these many years.

Come drive it and you'll see why.

STUDEBAKER SET FOR 1940

Wm. J. Sweeney Has Champion On Display Here

"The sky's the limit!" is the new slogan of the huge Studebaker organization for 1940. With a complete line of cars in the luxury, medium-priced and low-priced field, and a sales campaign on Studebaker trucks, the Studebaker sales organization now covers ninty-five per cent of the automotive market.

These facts were presented at the preview banquet and showing of the 1940 Studebaker Commander and President at the St. Francis hotel in San Francisco, last week. More than 500 dealers from California, Utah, Montana, Nevada, Idaho, Wyoming and the Territory of Hawaii attended the showing.

With Motordom's youngest sensation—the new Champion for 1940—already preening in western showrooms or rolling the roads with planar smoothness, the public is hailing Studebaker's latest addition to the low-price field as a worthy successor to its brilliant predecessor, the Champion introduced last April, according to William J. Sweeney, local Studebaker distributor, who announced that the 1940 Champion is already on display at his showrooms, 6806 Mission street. Other new models will be on display soon.

Speakers included C. K. Whitaker, president of Studebaker Pacific corporation, who presented three motion-sound pictures of Studebaker development, and Dana Jones, advertising executive.

The new cars feature even more visibility than the 1939 models, in addition to lower seating levels. Price reductions have been made on most models, but dealers were told that due to rising prices on raw materials, it was probable that prices on the new models wlil be forced upward within a short time.

National Guard

A member of the national guard draws the same pay as a member of the regular army for each time he drills. A member of the national guard drills 48 times each year and goes to camp for 15 days. While in camp he also receives the same pay as that paid the regular army.

Extension Service

Extension service specialists reported live stock made greater progress in North Carolina during 1938 than in any other year of the last decade.

one week before the closing of the Exposition, will be one of the biggest days at the Island.

Souvenir tickets may be purchased now at only 40c. Also on sale are Daly City ribbons, which will be the only admission honored for the grand ball in the California auditorium.

Also present at the committee meeting was Dante P. Lembi, director of the Indians of Rhythm, with an enthusiastic outline of the program which the high school swingsters will present on the Island.

Other festivities planned for the day include a grand parade, formal introduction of city officials, concert by the Daly City Band and a presentation by the Jefferson Union high school orchestra and chorus under the direction of Oscar J. Busch.

Commissioners Study Cooperation

In order to make arrangements for one department to assist another in case of a disastrous fire, visitors from the Colma Fire district, Commissioners Attillio Conserva and Mike Raggio and Attorney Frank V. Kington, were present at the regular meeting of Daly City Fire Commissioners, held Tuesday of last week at the city hall.

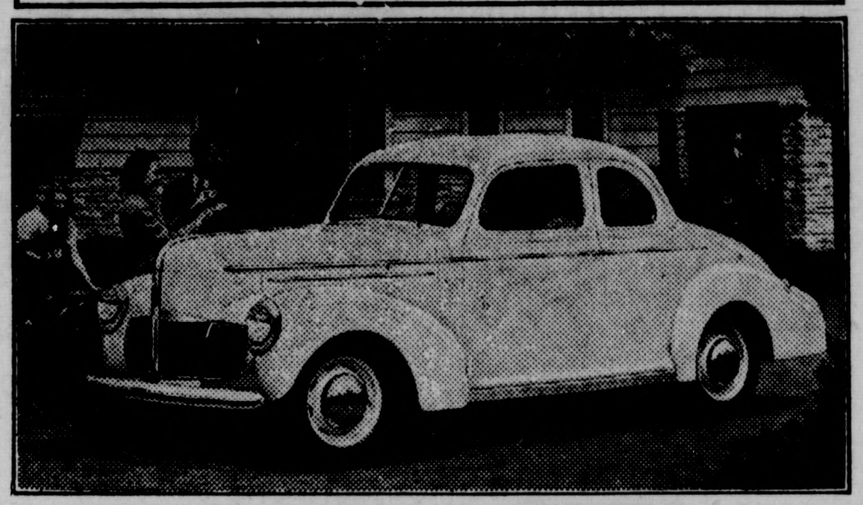
Present at the meeting were all of the local fire commissioners; Councilmen Julius Twesten and Ed Cavagnaro, of the fire committee, and Councilman J. J. Fahey.

Routine matters were taken care of at the meeting. Chief Andrew P. Chesney was directed to purchase two tires for Company No. 5 and also to investigate some trouble with the transmission of the apparatus and repairs to the front door of Company No. 5 firehouse.

Witch-Hazel

The commercial product witch-hazel consists of the aqueous distillate obtained by steam distillation from the leaves and branches of Hamamelis virginiana. It contains the volatile oil in solution to which is added about 15 per cent of 95 per cent grain alcohol. The young twigs are gathered during the dormant period and cut into small pieces and then distilled in copper stills.

Economy Champion in 1940 Raiment



The Studebaker Champion Coupe for 1940, which has just made its bow in local motor circles. The Champion, a new car for a new era because of its lack of excess, inefficient weight, was able to establish many brilliant endurance and economy records during the summer of 1939. Auxiliary "opera" seats provide room for two additional passengers.

THE NEW 1940 BUICK

Completely new design, embodying style and utility features not heretofore accomplished in the industry, features new Buick models announced today and on display in dealers' showrooms. Above is shown the improved handishift gear control mounted under the steering wheel, providing greatly improved gear shifting in the new cars. Buick is shown locally by Belli Motor company.

THE SEAL OF TRUTH

For more than 50 years the California Newspaper Publishers Association, an organization composed of nearly 400 leading daily and weekly newspapers of California, has been actively at work to improve newspaper standards.

And foremost in the minds of its leaders and members has been the desire to protect and enhance the well earned reputation of the newspaper press and profession of California in providing the people with an accurate and reliable medium of news facts.

During those more than 50 years of service many changes have occurred and numerous improvements made in the gathering, printing and distribution of news. The newspaper publishers of California have kept abreast of modern progress. No state in the union boasts a larger or more active group of progressive community newspapers.

One thing, however, has not changed. Despite the growth in size and number of newspapers, their fast presses and rapid delivery, the newspaper publishers of California still regard reliability and accuracy of facts—the gathering of TRUTH—as their sacred duty to the public.

Leading this effort for better service by newspapers, far more effectively today than 50 years ago, is the California Newspaper Publishers Association. As a result of its continuous work and high standards, the C. N. P. A. emblem shown below has become the symbol of progress—the seal of TRUTH by designating those publishers and newspapers in California who are constantly striving to give their communities the best possible newspapers and are ever mindful of the confidence reposed in them for TRUTH and accuracy in presenting news facts to their readers.

Newspaper Week October 8-14

Your local Newspaper -- The Daly City Record -- is a member of California Newspaper Publishers Association.

IT'S NEWSPAPER WEEK IN CALIFORNIA

This is Newspaper Week in California. Quite properly, members of the California Newspaper Publishers association are reaffirming their pledge to eliminate propaganda in every possible way and to provide a medium to which all may turn to find the most reliable and truthful information.

Facts, not mis-statements, are news, and newspapers constantly search for the facts. Their truthful, accurate and unbiased presentation make up the news content of the modern newspaper. Everywhere there are competent men and women digging out the facts, verifying and appraising them, in order that readers may know of that which has happened.

This continual search for turth, this high regard for facts, this painstaking effort to be accurate, reflecting the world of today in sharp detail, revealing the good and the bad to the end that readers may know the truth, is the constant endeavor of every reputable newspaper.

The printing of the truth is the only justification for the existence of newspapers and enables them to perform a splendid service to their respective communities, to their state, to their country.

THIS SALESMAN SUCCEEDS

Though nothing succeeds like success, it's a rare success that doesn't bring forth a Doubting Thomas to challenge it.

As a case in point Mr. Doubting Thomas has attacked advertising, but the evidence continues to roll up against him.

First, the Brookings Institute, in an exhaustive study supplied names, dates, and figures of how advertising, far from increasing the costs of the goods Mrs. Housewife buys, not only reduces price, but stimulates production, creates jobs, and is a healthy factor in our commercial life.

That the local newspaper is the community's best salesman and buying counselor finds additional proof in a door-to-door check-up recently conducted in several cities by the University of Chicago's School of Business. It found the home-town newspaper outranking in effectiveness all other mediums.

There are the answers to "why" and "where" of advertising. Doubting Thomases need only stop, think, and ponder, to be convinced.

CALIFORNIA How and Now!

By Charles J. Husband

(This article is a continuation of the discussion begun in last week's "Record" by Mr. Husband.)

Not only will these re-employed citizens under the age of 50 add the normal amount of purchasing power measured by their payroll, but an abnormal amount when measured by present conditions because these persons will be able to spend all their income, when they are young enough to enjoy the benefits to be obtained from such spending, knowing that they need not hoard or save any portion of it, because when they reach the age of 50, they too will be eligible to receive $30.00 per week for the balance of their lives. This additional purchasing power, and several other factors which will increase our purchasing power, make the statement that our present volume of business will be doubled extremely conservative and for proof of the proposition stated in the beginning of my talk, I will use only a volume of business no more than double our present volume.

For additional clarity, let us keep in our minds two sections of this new volume of business. First, the 30 billions of dollars now in existence, and second, the 30 billions of dollars of business created by the operation of this Amendment. The reason for carrying them in two separate figures, rather than by adding them to-

4. Purchase of Cash Redemption Stamps Would Cost People $1,460,000,000 a Year

In order to make the system of stamp currency self-liquidating, the persons holding these warrants on Thursday of each week would be required to purchase for cash and to affix to the back of each dollar warrant in their possession a two-cent redemption stamp. With fifty-two weeks in the year, each of the 1,560,000,000 one-dollar warrants outstanding after the first year would require $1.04 in cash redemption stamps to make it self-liquidating, which would make the total outlay for stamps approximately $1,622,000,000. Some warrants, however, would be temporarily out of circulation in the course of the year, for the act provides for the temporary suspension of stamp affixing in the case of governmental receipts deposited with the administrator. Assuming that 10 per cent of the warrants outstanding might conceivably be temporarily "frozen" in the form of governmental revenue deposits, the remaining warrants in circulation would require some $1,460,000,000 (90 per cent of $1,622,000,000) worth of cash redemption stamps per year to make them self-liquidating. After the first year the average cash balance resulting from

History of Daly City Fire Department

(Editor's Note: This is the second installment of an informal history of the Daly City Fire department, dedicated to "those who serve—not for personal gain—but for the welfare of all."

Through the cooperation of William J. C. Goldkuhl, E. W. Goldkuhl sr., and Edward W. Goldkuhl jr., authors, and the Daly City Record, this interesting story is made available to the general public.)

In November, 1907, the Fire Department purchased boots, overalls and badges for its members. Through drills held twice monthly, the men were becoming highly proficient at the handling of the bucket line. This bucket line often found many women of the Ladies Auxiliary assisting in it when there were not enough men present. Most of the fire damage in the Vista Grande tract was caused by the lack of water.

In the Fire Company's minutes of December 15, 1907, is recorded that the first wagon for carrying the hose was built by Fireman W. J. C. Goldkuhl. This wagon was a two-wheel affair, pulled by manpower.

On December 20, 1907, new officers were elected. Chosen by vote at that time were: J. Harders, chief; G. W. White, captain; C. E. Montgomery, first lieutenant; A. B. Clark, second lieutenant; J. Poket, third lieutenant; W. White, secretary, and E. D. Morefield, treasurer.

Forging ahead in February of 1908, a committee was sent to see the fire underwriters in an effort to reduce the fire insurance. Another committee was formed to persuade the Wooster company, which then owned the water system, to put in fire plugs.

From the records of March 1908, a typical fire report of that time states "Fire caused by candle igniting curtains at J. Bronstien's residence. Fire brought under control, damage slight." Also in March, progress was reported on obtaining plugs from the Wooster company.

The next month, April, 1908, saw the first victory of this drive, when permission was granted by the Wooster company to plug in on the water mains. A committee was formed immediately to see about the purchase of fire plugs.

It was decided by the company that the tolling of the fire bell at ten second intervals was to be the signal of emergency.

A third election of officers held June 26, 1908, found J. Harders, chief; George W. White, captain; C. E. Montgomery, first lieutenant; R. R. Baldwin, second lieutenant; A. B. Clark, third lieutenant; Joseph Duartey, secretary, and E. D. Morefield, treasurer.

Further progress was reported on the purchase of fire plugs, and members of the department were requested to burn grass to reduce the fire hazard.

On October 9, 1908, Chief Harder resigned. It was voted to move the officers one office ahead in rank and to elect a new third lieutenant; James Poket was chosen.

During November and December, 1908, the Fire department purchased the plugs for the water mains. Socials, dances and parties were the chief ways of raising money, as most of the prominent citizens of the Tract were in the Fire department, and a great deal of social life revolved around the fire company.

The January 22, 1909, election of officers saw the following men inducted: C. E. Montgomery, chief; A. B. Clark, captain; W. White, first lieutenant; J. Boitano, second lieutenant; R. E. Jess, third lieutenant; E. A. Pfuhl, secretary; J. W. Johnson, treasurer, and R. P. Baldwin and W. J. C. Goldkuhl, auditors. Action was taken at this time by the department toward obtaining a fire engine.

The year 1909 saw the Fire department in the regular routine of business with new members coming in constantly, and the main question before the Company as a whole was the acquisition of apparatus. At this time, Matt Callan, who was trustee of the Jefferson School District, offered through the efforts of W. J. C. Goldkuhl to lend the Company the money to purchase the apparatus or to do all in his power to help the company acquire it.

After much debate, it was decided to advertise in the San Francisco papers for "one village fire engine." Because of the fact that the engine must have wheels four feet high in order to travel through the sands with which the streets were then "paved," there was some trouble in obtaining the apparatus.

On January 13, 1910, there was another election in the Fire department with the following results: Charles E. Montgomery, chief; Herbert Secor, captain; J. Poket, first lieutenant; John Boitano, second lieutenant; H. Elmers, third lieutenant; E. A. Pfuhl, secretary-treasurer, and W. J. C. Goldkuhl, A. Larsen and J. Poket, trustees. It was then decided to appoint H. Bradbury of Hillcrest district, H. Secor of Mission tract and Gust Johnson of Vista Grande to act as Fire Commissioners to the Board of Supervisors.

(This history will be continued in the Daly City Record next week, October 18.)

Taxes Too Great Now

Now, let us leave this volume of business for a moment and examine the present tax load of California. Here we have another factor and for the sake of clarity, we will use again a round figure. The total tax bill of all people in business in the State amounts to 900 millions per year. That means that our present 30 billion dollars of gross business must pay a 900 million dollar tax bill. That this charge is too great to be borne by present volume of business is evidenced by widespread unemployment and lack of profit in our business operations. Let us analyze for a moment, now that we have our major factors determined, the first effects of the California Retirement Life Payments Amendment on this 900 million dollar Tax Bill.

(This discussion showing the merits of the Retirement Life Payments amendment wil be continued in the October 18 Record.)

President Roosevelt warns: "It (30-Thursday) would constitute a 25 per cent income tax which would fall far heavier on the poor than on the rich."

Working Californians would pay the piper for every "dollar" warrant issued to the privileged class of non-workers which would be set up under this preposterous plan.

And in addition, a new 3 per cent gross income, or gross transactions tax — a vicious pyramiding tax, applying to each turnover — would be levied against every cash transaction. That would mean . . . .

Colma News

By Eleanor Price

Mrs. Etta Remington and Mrs. Margaret Brown were the lucky winners at the card party Mrs. A. Hollingsworth gave in her home Thursday evening. Mrs. Remington won first prize for high score and Mrs. Brown held the lucky number on a basket of fruit.

Mrs. Erminia Galasino and son arrived by train last week from Chicago. They plan to make their home with Mrs. Galasino's brother and sister-in-law, Mr. and Mrs. V. Fontana.

Mr. and Mrs. V. Capurro had as their house guest Sunday Tony Pezzi of Lodi.

Miss Rose Rochetta returned to her work on Monday, after being absent for the past month, recuperating from an operation.

Frank Garabaldi, Angelo Olcese and Fred Biagini attended the California-Saint Mary's football game Saturday afternoon at Berkeley.

Guido Marchetti and Louis Poletti motored to Madera Sunday. They spent Sunday and Monday dove hunting and were successful in obtaining the limit.

Mr. and Mrs. Roy Scramalgia returned from a month's stay in Hollywood where Mr. Scramalgia had an engagement playing with Henry King's orchestra. Mr. and Mrs. Scramalgia plan to make their home in San Francisco.

Frank Perata had a very successful fishing trip on Friday. He returned with the limit of bass.

Guido Merlini, Colma, and Miss Lebe Baldi, South San Francisco, obtained a marriage license on October 4.

U. A. O. D. No. 116 held an anniversary banquet Friday evening at Ric's Place, Colma, in celebration of its fortieth birthday. Only two of the four remaining charter members, Angelo Stampini and Charles Sauenderman were able to be present and were the guests of honor. About twenty members attended.

Mr. and Mrs. Thomas Bocci have moved into their new home in Garden Village.

A cash whist will be given Friday evening, October 13, at the Lomita Park firehouse for the benefit of Bethel 68, Order of Job's Daughters. A number of local girls are members of Bethel 68.

Miss Elizabeth Newton suffered a mangled thumb while riding on one of the concessions at the Fair Saturday evening. She was treated at the Emergency hospital on Treasure Island and is now under the care of her own physician.

Over 100 Guests At Scout Campfire

More than one hundred people attended the annual campfire of Boy Scout Troop No. 101 last week at Sigmund Sterne Grove. The affair was in charge of Frank Coughlin, scoutmaster; Tom Talon, Charles Gleisner, Jo Rogers and Frank Kirkland.

Guest of honor was District Scout Commissioner Chet Smith, for the past 25 years associated with the scouting movement. Smith was Daly City's first scoutmaster; resides now on 331 Woodrow street. He was accompanied by his wife.

Winners of various contests included Frank Gerhard, public speaking, discussing the intricacies of "How High Is Up?"; Jo Collins, who came out on top in the watermelon eating; Jimmy Coughlin whose dexterity in stuffing fourteen marshmallows into his mouth at one time won him a title; Allen Menecucci and Billy Gerhard, who tied in a laughing contest. The Beaver patrol was awarded a special prize for a pantomime camping trip.

Scout Troop No. 101 announce a new chaplain, Father Charles S. Gienger. Coughlin stressed the fact, however, that the troop was non-denominational, and that any boy was welcome to join the troop, irrespective of religious affiliations.

Boy Scout Troop 101 will hold a special court of honor October 27, to which the public is cordially invited.

A meeting of the scout committee is scheduled for 8 p. m. Friday at the home of Jo Rogers, 183 Goethe. The cub committee will meet at 8 p. m. tomorrow at the home of Acting Cubmaster Frank Denning, 151 Wellington avenue.

Several of the troop sponsors, including Coughlin, Talon, Rogers and Gleisner, have signed up for the annual Baden Powell school of Scouting. Evening classes will be held October 16-20 at the Everett Junior high school. The school will conclude with a big camp and banquet at which diplomas will be awarded.

A winter whist for the benefit of the troop will be held at 8 p. m. Friday, December 1, it was announced today. There will be a door prize, as well as hand-made prizes contributed by mothers of the scouts. It is not planned to solicit merchandise from the merchants, Coughlin said, but everyone who can attend is urged to support the affair.

St. Michael's Church Announces Whist Games

A whist party sponsored by the ladies of St. Michael's church, 35 Broad street, is held at 8:30 p. m. sharp every second and fourth Tuesday of the month.

The Ladies' Aid of St. Michael's also sponsors a whist party at 1:30 p. m. the first Wednesday of each month.

Miss Irene Rosenberg's "Lady," was unable to be shown on account of illness.

Every entry from Daly City won firsts in its class. There were 168 entrants from all parts of the United States and between nine and ten thousand persons attended. The show was held under the auspices of the American Cat association, the first cat show to be held at an exposition since the San Francisco Exposition in 1915.

Native Daughters Express Sympathy

The following resolution was received in the Record office yesterday:

"We, the Memorial committee intrusted with the sad duty of preparing resolutions expressing the sentiments of El Carmelo Parlor No. 181, NDGW, offer the following:

"Whereas, our golden cord of fraternity has again been severed and another loyal member, sister Marian O'Connor, has finished her earthly task and been removed from our association, be it

"Resolved, that while we pay a tended tribute to her memory, we are not unmindful of the loss sustained by her husband, daughter and brothers and we extend this family of which she was a cherished member the sincere and profound sympathy of this, her parlor; . . .

Respectfully submitted in P. D. F. A.,

Pauline Quirolo, chairman
Marian Titcomb
Anne K. Biggio"

"Good Earth" Attracts Popes

(Editor's note: the following article was taken from a recent issue of the San Francisco Chronicle.)

"The 'Good Earth' of Colma has clasped Dr. and Mrs. Saxton Pope to its breast.

"Home for the Popes used to mean a menage in the modern manner down Burlingame way, complete with white piano and all the other appurtenances of 'la vie moderne.' But when they heard of the wonderful fertility of Colma soil they uprooted themselves and their favorite shrubbery and moved to a house two blocks off the main highway which runs through the nursery town.

"The transplanting has been successful, we are happy to report. In the backyard, a hothouse shelters the rare and exotic tropical blooms which the Popes brought back from their summer visit in Hawaii while the hardier flora are flourishing in their front yard.

"A generous coat of white-wash has transformed the garage into a 'loom room' where Mrs. Pope weaves on a loom built by her brother-in-law, Lee Pope . She has woven all the covers for the chairs and sofa in the loom room which also doubles as a cocktail bar.

"So pleased are the Popes with their new domicile that they are contemplating even more pretentious improvements. At the moment they are covetously eyeing a tall abandoned water tower on the adjoining lot. They want to build a cocktail lounge way up there and christen it 'Top o' Colma'."

Castelans Entertain At Dinner and Cards

Mr. and Mrs. Julius F. Castelan, Bellevue avenue, entertained as dinner guests last week Mr. and Mrs. Paul G. Selmi and Mr. and Mrs. Julius Twesten.

Following the dinner, cards were enjoyed until a late hour.

Friends Plan Shower For Roy Dodge McLean

Roy Dodge McLean, 333 Vista Grande avenue, will be guest of honor at a shower given tomorrow evening at the Colonial cafe. His mother, Mrs. Ruth E. McLean, will act as hostess. Guests will enjoy dinner and dancing until a late hour.

Wedding bells will ring for McLean in Reno, October 19, when he marries Miss Betty Jane Hill, San Francisco, who formerly lived in Daly City. The young couple plan to make their home here following their marriage.

A former student of Jefferson Union high school, McLean is engaged in the contracting business.

Public Invited To Big Barn Dance

Final arrangements for the big Barn dance at Colombo hall, Colma, this coming Saturday, were discussed at a committee meeting of the Native Sons and Daughters of the Golden West last Monday evening.

Members of the dance committee include Lucille Young, Kay O'Brien, Evelyn Van Oorschot, Ernie Micco, Luke Zerga, Frank Smollen, Al Parmisano and Herman Christen.

Given for the benefit of El Carmelo Drum corps, the party will recreate the spirit of the Old West. Most of the dancers are expected to come garbed in country style. Johnny Dell's union orchestra will play tunes both old and new.

Admission prices are nominal and refreshments will be available. The public is invited.

About Town

News of Daly City's People and Activities

Grover Martin, one-time student of Jefferson Union high school, and now connected with the Portland harbor staff, and Miss Margaret Miller, Portland, Oregon, are being married Saturday. An informal family reception will be held at the Tahitian Hut after the wedding. The couple will reside in Portland.

Mrs. P. Bordson, 614 Templeton avenue, entertained ten members of the Sunshine club of the Maccabees at her home, Thursday.

Oscar Vestland, Bakersfield, was the guest of Peter Bordson, 614 Templeton avenue, last week.

Mrs. James E. Oliver, Berkeley, visited her niece, Mrs. W. F. Dorn, 2 Risel street, Thursday.

Mr. and Mrs. Aldo Albergi, 1046 Hanover street, have returned from a two months vacation at their summer home at Forest Knolls.

Mr. and Mrs. L. A. Delatour have moved from Peoria street to their new home at 198 Templeton avenue.

Mr. and Mrs. W. F. Dorn, 2 Risel street, spent the week-end in Madera, where they took part in the annual Old Timers' celebration.

Guido Merlini, 24, Colma, and Lebe Balbi, 21, South San Francisco, recently filed application for a marriage license.

Mrs. Jack Morris gave a whist party at her home on Irvington street, Daly City, Thursday night for the benefit of the drill team of Bethel 26, Order of Job's Daughters.

Mrs. R. L. Foster, Crocker avenue, entertained in her home at a bridge luncheon Thursday. The luncheon was given in honor of Mrs. L. J. Woltzen, San Francisco, who was celebrating her birthday. The guests were: Mrs. C. Butler, Mrs. E. Jorgenson, Mrs. A. Hyland, Mrs. L. Artigue, and Mrs. L. J. Woltgen from San Francisco, Mrs. William Billings, Redwood City and Mrs. J. H. Price, Lawndale.

Tri-Y, the girls' service club of George Washington high school met at the home of Miss Lois Foster on Tuesday evening. The club is sponsored by the Y. M. C. A.

Mr. and Mrs. Achille Liberti, 442 Winchester street, are receiving congratulations on the birth of a son, Phillip, September 25.

Mrs. Herman Welsh, San Joaquin street, Daly City, entertained her book club on Monday evening. The book reviewed was Rachel Field's "All This and Heaven Too." Later in the evening refreshments were served.

The Schooner club of the Grace Presbyterian church, Daly City, enjoyed a wiener roast Monday evening.

Mr. and Mrs. Clarence Mabee were guests of Mr. and Mrs. R. L. Foster Sunday. Mr. and Mrs. Mabee motored here from Santa Paula.

Veteran Firemen Plan Day at Fair

Veteran Firemen's association was called to order by Comrade President P. Valenti at 3 p. m. Friday at 133 Santa Barbara avenue. A large number of members were in attendance.

The committee on Daly City day at the fair reported that the usual quota of tickets and badges had been allowed the association. The veterans expressed their hope that everyone who could possibly go to the Fair, October 22, would do so and make it one of the biggest days on Treasure Island.

A picture of the Veteran Firemen was taken by a photographer from the Daly City Record and will be published soon.

Comrade Secretary Edward J. Ford was all smiles as he acted as a committee of one to show the SFPI motion picture of the Peninsula. The firemen reported the picture a great success.

Comrade Chef J. Hesslein served a buffet supper following the business meeting.

High School Students Join Honor Organization

Seven new members were initiated into the California Scholarship Federation at a party at Jefferson Union high school last Wednesday.

They included Cathleen Day, Barbara Foreman, Dorothy Freund, Betty Inks, Charles May, Herbert Poddig and George Wallace.

Decadeers Club Completes Term

Members of the Decadeers Social club this week announced the successful completion of their first six-months' term, under the leadership of President Arnold Panella.

One of the foremost of Daly City's younger clubs, the Decadeers consist of eleven local boys whose club represents high standards of citizenship, organization and sportsmanship. A desire to become better acquainted with other Daly City residents was expressed by the Decadeers this week, as they stated that other local clubs should feel free to call upon them for help in community betterment projects.

Decadeers meet at 8 p. m. every Monday evening at 67 Wilson street. Applicants for membership must receive a unanimous vote of approval from the club, pay a small initiation fee and buy their own sweaters.

Social activities are planned every week, and include dancing, swimming, motor boating, wiener roasts, skating and other sports.

Present membership of the organization includes Arnold Panella, president; Bud Simpson, vice-president; Dave Grenier, secretary; Jack Adams, treasurer; Glen Smith, sergeant-at-arms; Jack Smith, George Lewis, Mike Costa, Vince Simoni, Ignatius Sampino and Leo Grenier, members.

President Panella reports that the ticket sale for the portable radio has proved very successful. Tickets may be purchased from any member of the Decadeers.

To Teach Adults Pottery and Ceramics

Appointment of an instructor for the adult pottery and ceramics class, to be held at Jefferson Union high school, is expected this week, according to Enid F. Tandy, local Recreation director.

The project will offer instruction in many pottery arts, including firing and glazing. Jefferson Union high school has one of the few furnaces available for this type of work.

Admission to the classes is free. Application should be made to the Recreation office, 101 Parkview avenue.

Sew and Sew Club Holds Luncheon Meet

Crocker Sew and Sew club were entertained Thursday at the home of Mrs. George A. Long, 1015 Brunswick street. Mrs. Long and Mrs. Florence Thorsen were hostesses.

A five-course luncheon was served, the table tastefully decorated in yellows, browns and orange with the Hallowe'en motif running throughout.

At the regular meeting after lunch, tickets were put on sale for a hand-worked luncheon cloth and eight napkins, made by Mrs. Gherig, to be given away October 19.

Guests were Mesdames Julia V. Jordan, Marie L. Gherig, Lily M. Cavagnero, Virginia Davidson, Pansy M. Montano, Hazel A. Cassasa, Ann Lutzker, Vivian M. Pahlka, Orvilla D. Pauw, Mary Jacobi, Mildred M. Seiler, and Agnes Prescott.

Local Students Enter Native Sons' Contest

Sigfred Hansen, public speaking teacher at Jefferson Union high school, announced this week that he will enter several local students in the 1940 speech contest sponsored by the Native Sons of the Golden West.

Limited to eight minutes in length, the speeches will concern California history. Finalists in each school will meet in a county contest, with county winners entered in the State meet. Jefferson finals will be held some time next month.

Master Craftsman Guest at Jefferson

Students of Jefferson Union high school were given an interesting demonstration last week of the ancient art of pottery making.

Demonstrator was Edwin M. Dill, master craftsman who won public recognition at both the Chicago and San Diego expositions for his skill and artistry at the potter's wheel.

PTA Units Fight "Ham and Eggs"

All local PTA units were urged to stress the opposition stand taken by the district and State on the "Thirty Dollars Every Thursday" plan, at the last regular meeting of the Seventeenth district executive board. It was suggested that all groups invite speakers to their meetings to explain the fallacies of the "Ham and Eggs" scheme. Mrs. B. D. Ralston, who presided at the meeting, also urged unit presidents to present their problems to the directors for help.

October district meeting to be held in the Burlingame high school October 20 is in charge of Mrs. B. E. Myers, second vice-president. Mrs. W. R. Goddard, third vice-president of the State congress will be the speaker. A life membership luncheon will be held the same day, with Mrs. Fred O. Slasor, State life membership chairman, as speaker.

The new Half Moon Bay high school will be dedicated at 2 p. m. Sunday. Dr. C. A. Shields, trustee of the district, extended a cordial invitation to all interested Parent-Teacher members to attend.

Mrs. A. M. Jeppesen asked persons attending the next district meeting to bring bundles of used clothing to replenish the stock of the student aid shop on Mount Diable street.

STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACTS OF CONGRESS OF AUGUST 24, 1912, AND MARCH 3, 1933,

Of Daly City Record, published weekly at San Francisco, California, for October 1, 1939.

State of California, County of San Mateo—ss.

Before me, a Notary Public in and for the State and County aforesaid, personally appeared Albert H. Boynton, who, having been duly sworn according to law deposes and says that he is the publisher and editor of the Daly City Record, and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily paper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, as amended by the Act of March 3, 1933, embodied in section 537, Postal Laws and Regulations, printed on the reverse of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are:

Publisher—Albert H. Boynton, 3317 San Jose Avenue, Daly City, California.

Editor—Albert H. Boynton, 3317 San Jose Avenue, Daly City, California.

Managing Editor—Albert H. Boynton, 3317 San Jose Avenue, Daly City, California.

Business Manager—Albert H. Boynton, 3317 San Jose Avenue, Daly City, California.

2. That the owner is: (If owned by a corporation, its name and address must be stated and also immediately thereunder the names and addresses of stockholders owning or holding one per cent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a firm, company, or other unincorporated concern, its name and address, as well as those of each individual member, must be given.)

J. W. Marchbank, 3317 San Jose Avenue, Daly City, California.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state.)

None.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

5. That the average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the twelve months preceding the date shown above is:

Wrestling, Boxing Classes Organized

Wrestling and boxing classes are now meeting at the Jefferson gymnasium, under the direction of the Recreation department. The high school age group meets at 3:30 p. m. every Monday to Friday, and the adult class from 7:30 to 9:30 p. m. Monday through Friday.

James Brady, former coach and physical instructor for the Nineteenth Pursuit Squadron and the Eighth Field Artillery stationed in Honolulu, is the instructor for both groups. Brady is well versed in wrestling and other sports.

Boys of high school age must have their physical condition approved by Coach Biggs of Jefferson before registering in the classes.

Applications for both classes are being taken at the Recreation department and high school gymnasium.

Women's Gym Class Held at Jefferson

A new physical culture group for women is being organized this week by the Recreation department, under the direction of Miss Marie Bell. Held from 7:30 to 9:30 p. m., Mondays and Wednesdays, the classes will be devoted to rhythmic gymnastics.

Calesthenics to music is becoming a more popular form of exercise each year, according to Miss Bell, and a large attendance is expected. Registrations are being taken at the Recreation department and at the Jefferson gymnasium. There is no charge.

Jefferson Girls Schedule Playdays

Two teams from Jefferson Union high school will take part in a Hocky Playday at Burlingame today, according to Miss Juanita Young, girls' physical education instructor.

Jefferson will have a Playday here, October 17, with Sequoia and South City high, featuring archery, tennis, hockey and recreational swimming.

November 18, Jefferson girls go to San Francisco state college for their annual Playday.

Jefferson Loses Thursday's Game

Jefferson was beaten 25-0 by the Piedmont eleven in a game played at Piedmont, Thursday.

Guisti proved the best punter on the field and Ruppert is making a fair bid to become Jefferens, and Saple, of the third string, ens, and Staple, of the third string, are shaping up in fine style as guards.

Coach Matthews has a brand new set-up for the game with Palo Alto high school, Friday, at Palo Alto.

Jefferson's frosh-soph team which lost to Mission, Thursday, will play Half Moon Bay Varsity team tomorrow on the Jefferson field at 3:30 p. m.

Horseshoe Club Defeats San Mateo

ROBERT DONAT BECOMES SCHOOLMASTER IN MOVING FILM "GOODBYE MR. CHIPS"

Hit Story Shows "Citadel" Star In Fresh Triumphs

Described as the most moving school story ever written, "Goodbye, Mr. Chips," based on the successful novel of James Hilton, and with Robert Donat in the starring role, opens tomorrow at the Daly City theatre as one of the major movie events of the season.

Together with Donat, the new picture features Greer Garson, lovely English stage star, who makes her first appearance in a motion picture as Donat's wife in "Goodbye, Mr. Chips," and is hailed as the most sensational screen "find" since the discovery of Hedy Lamarr.

"Goodbye, Mr. Chips" tells of an ordinary man going about his work day after day, year after year, thoroughly and conscientiously. A moving tale of the joys and sorrows met by every man or woman, whatever their rank in life, this memorable record of the personal experiences of Mr. Chipping, or "Chips" as he comes to be known, friend of generation after generation of young Englishmen, proves that the spirit of England can again be faithfully translated to the screen.

To the central figure of this moving story Robert Donat is said to bring all his brilliance as an actor and, as the loveable schoolmaster, to give a performance which by its sincerity and strength of character surpasses even his portrayal of the doctor in "The Citadel."

Companion feature on the new bill is "6000 Enemies," starring Walter Pidgeon and Rita Johnson.

A baby son, Jeffrey Stockton Wilson, was born in San Francisco Sunday morning to Mr. and Mrs. W. L. Wilson, Sausalita. Mrs. Wilson was formerly Miss Marjorie Stockton, 49 Crocker avenue.

A beaming smile by "proud papa" gave indication today that all was well with the Walter E. Ekola family, 1184 Hanover street. Mrs. Ekola presented said "proud papa" with a husky baby boy at St. Joseph's hospital in San Francisco Tuesday morning.

When Dad Hears

Slipping off the road and crashing into a guard rail at Kitchener, Ontario, James Trussler's car came to a stop, damaged. But the damage did not worry Trussler, age 75, nearly as much as what his father, age 100, would say when he heard about it.

Housing the Army—

Where ground crews once maneuvred the giant U. S. navy dirigible Macon, a small army of workmen today is rushing to completion 26 new buildings at Moffett Field.

Official War Department bulletins describe the buildings as "war time barracks," for they will provide housing and dining accommodations for more than 1600 enlisted men who will shortly arrive at the Sunnyvale air base to augment the new GHQ air force.

COUNCIL ASKS

given sufficient publicity to allow all local business men to make bids. City Purchasing Agent Julius Castelan countered with a statement that he always gave more notification of such purchases than is required by law, and that he would give even wider notification by posting a bulletin board in the city hall as Pettigrew suggested.

by funds from the quarter cent gasoline tax.

The city engineer also announced that Knowles avenue from Niantic to the Southern Pacific railroad tracks will be graded this week and the dirt used to fill in the baseball diamond at Vista Grande park.

Possible purchase of a Hough street sweeper is being considered by the city. The sweeper was given a trial demonstration Saturday, and used in satisfactory trial workouts on the streets yesterday by Vic Fenstermaker, city employee. Final decision will be made by the city council in the next week or two.

Married Bliss

Marriage appears a deterrent to crime, according to figures compiled by the Philadelphia voluntary defenders association. During 57 months, only 2,822 married persons sought the association's help in court cases, compared with 5,119 single persons.

Tower of Pisa

The leaning tower of Pisa was intended to stand upright but the soil beneath gradually gave way on one side until the marble structure was 16 feet out of the perpendicular.
